Nalla Phanendra

UI Designer

Phanendranalla1@gmail.com -91 9100108854 LinkedIn Profile Portfolio

SUMMARY

UI Designer with internship experience creating website interfaces for education and technology businesses. Skilled in taking designs from initial concepts to polished, responsive pages using Figma. B.Tech student in Information Technology with strengths in wireframing, visual hierarchy, and clear page structure.

EXPERIENCE

Ai Smart Live Solutions Pvt Ltd

UI/UX Designer Intern | May 2026 – Present

- Designed website interfaces for Abhyas School and Ai Smart Live Solutions, carrying work from initial ideas through page designs.
- Created page layouts and interface elements in Figma, including navigation, cards, buttons, and forms.
- Applied typography, spacing, and visual hierarchy to organize information across website screens.

PROJECTS

Lavix Virtual Try On — Desktop Application >

- Designed a desktop virtual try-on shopping experience for browsing products and previewing apparel.
- Developed the home-screen interface and supporting shopping flow designs in Figma.

Abhyas School Website >

- Designed pages for school information, academics, admissions, campus life, contact, and admin login.
- Created a homepage for school highlights, facilities, news, events, and contact information.

Ai Smart Live Solutions Website >

- Designed Home, About, Products, Process, Careers, FAQs, and Contact pages.
- Organized company and product information into clear sections with supporting navigation, cards, buttons, and forms.
